White Water Rafting in the Smokies

Take in exciting rapids and breathtaking views as you make your way down the rapids nestled deep within the trees of the Great Smoky Mountains. Your guide will instruct you on river safety and proper paddling technique as you paddle your way through several miles of majestic whitewater.

- **Extreme Upper Pigeon:** The best white-water rafting adventure for thrill-seekers. Experience the thrill of the Upper Pigeon in a smaller raft with a maximum of 3 rafters and a guide. We will push the limits running go-for-it lines, hitting the meat of big waves, and surfing all our favorite waves and hydraulics.
- **Upper Pigeon:** Take an exciting 6.5-mile raft trip down class 3 and 4 rapids. Our guides will navigate your raft the entire trip, sharing their love of splashing through big waves, maneuvering around rocks, and enjoying the beauty of being in the great outdoors. Big waves, big drops and plenty of surfing will assure that you have the time of your life. For inexperienced and experienced paddlers.
- **Lower Pigeon:** Experience a scenic float trip on the river. Rafting on the lower Pigeon is one of the best attractions in the Smoky Mountains for little kids. Water fights and splashing are very popular, kids absolutely love it, along with mom and dad. So, if you are looking for something with a little less speed, this rafting trip on the Pigeon River is for you.

*Natural Floats occur in the spring and fall

Mindful Approach

By staying at Under Canvas, you take part in our mission to inspire connections with extraordinary places, people, and the planet by enhancing the outdoors.

Connection with nature makes us healthier, happier ambassadors of the environment; our most precious commodity. This manifests in the design choices we make and the experiences we curate for our guests. Here are some of the ways we uphold our mission.

Thoughtful Innovation

Pioneering the outdoor hospitality space, we employ thoughtful enhancements across our camps designed to elevate the guest

experience — through curated adventure programming, culinary innovation, and localized design aesthetic that reflects the surrounding natural environment.

Unplug and Recharge

Wifi is intentionally not offered to our guests, so that they can disconnect from technology and reconnect with others.

Environmental Consciousness

Guests will notice some design features throughout camp that go a long way towards preserving the great outdoors — pull chain showers, faucets that automatically shut off, low-flow toilets and a towel reuse program. Accordingly, our camps use significantly less water and energy than a hotel of similar size. Additionally, low level lighting is used throughout camps, mitigating light pollution and amplifying the night sky.

Land Conservation

Under Canvas camps are designed to minimize disturbance and maximize open space, each with dedicated, undisturbed green spaces. Land donations, adaptive use, and partnerships with local conservation based organizations are also part of our commitment.

In Good Company

We partner with brands who share the same care for our planet, including plant-based EO[®] bath products made in a zero waste facility, West Elm furnishings that support sustainable initiatives, and lululemon, who has committed to 100% renewable electricity for their owned and operated facilities by 2021.

Retail Partners

Under Canvas Great Smoky Mountains is pleased to partner with the following brands, found throughout each of our sites and in our retail lobby shops:

- EO bath products
- West Elm
- Sun Bum
- lululemon
- Parks Project
- Pendleton

COVID-19

With social-distancing at the core of its very inception, Under Canvas is the ideal upscale outdoor experience, continuing to follow CDC guidelines and uphold strict guidelines and protocols in 2021. Find current initiatives in detail [here](#).
