Yellowstone National Park Driving Tour

This is a private guided tour of Yellowstone National Park and the surrounding areas. All the tours are custom to your party, catering to the desires and curiosity of our clients. See wildlife in the Hayden and Lamar Valleys, take in the views of Yellowstone's Grand Canyon, and awe in the wonders of the park's world-class display of geothermal features.

Horseback Riding

Conveniently close to camp, these rides will take you to awe at views of Hebgen Lake, the Continental Divide, the city of West Yellowstone, and Yellowstone National Park!

Morning Ride: This ride will take you high enough into the mountains to see the 3 beautiful rolling ranges of the surrounding ranches, Hebgen Lake, the Continental Divide, city of West Yellowstone, and Yellowstone National Park.

Afternoon Ride: Bring your camera as the scenery is stunning, and you won't want to miss the occasional elk, moose, or deer. You'll see Blue Grouse, geese, ducks, ravens, hawks & Sand Hill Cranes.

Evening Ride: The evening rides are very relaxing. This ride is a bit shorter, but is just as stunning as the morning and afternoon tours. Because of cooler weather, new kinds of animals will be more apparent on this ride. The evening ride is peaceful and serene on the shady trails as guests listen to the creak of the saddle beneath them.

Fly Fishing

Our fly-fishing guides are eager to help you step into some of the best fly fishing in Yellowstone National Park. Anglers can fish the canyon waters in the Yellowstone Canyon just a short distance from the road where the cutthroat trout love streamers and big dry flies. There are also the glassy waters of the Firehole, where the rainbows and browns are waiting to sip your mayflies, all while enjoying the geysers churn, wildlife graze and viewing the most amazing scenery in Yellowstone National Park. Perfect for new and experienced anglers!

**Available as half or full day*

Whitewater Rafting

Rafting adventurers of all ages will find an experience on the Gallatin to match their wildest dreams! Options from raging rapids to scenic floats, there is a journey here for everyone!

**Available as half or full day*

** All offerings are subject to availability; contact our Adventures Concierge in advance of your trip for details, or the Guest Experience Coordinator on-site.*

Mindful Approach

By staying at Under Canvas, you take part in our mission to inspire connections with extraordinary places, people, and the planet by enhancing the outdoors. Connection with nature makes us healthier, happier ambassadors of the environment; our most precious commodity. This manifests in the design choices we make and the experiences we curate for our guests. Here are some of the ways we uphold our mission.

Thoughtful Innovation

Pioneering the outdoor hospitality space, we employ thoughtful enhancements across our camps designed to elevate the guest experience — through curated adventure programming, culinary innovation, and localized design aesthetic that reflects the surrounding natural environment.

Unplug and Recharge

Wifi is intentionally not offered to our guests, so that they can disconnect from technology and reconnect with others.

Environmental Consciousness

Guests will notice some design features throughout camp that go a long way towards preserving the great outdoors — pull chain showers, faucets that automatically shut off, low-flow toilets and a towel reuse program. Accordingly, our camps use significantly less water and energy than a hotel of similar size. Additionally, low level lighting is used throughout camps, mitigating light pollution and amplifying the night sky.

Land Conservation

Under Canvas camps are designed to minimize disturbance and maximize open space, each with dedicated, undisturbed green spaces. Land donations, adaptive use, and partnerships with local conservation-based organizations are also part of our commitment.

In Good Company

We partner with brands who share the same care for our planet, including plant-based EO® bath products made in a zero waste facility,

West Elm furnishings that support sustainable initiatives, and lululemon, who committed to 100% renewable electricity for their owned and operated facilities.

Giving Back to Nature

As lovers of the outdoors and the beautiful lands that surround our camps, Under Canvas has joined forces with The Nature Conservancy, a global environmental nonprofit working to conserve the lands and waters on which all life depends, to help fund conservation and raise awareness through education, volunteer efforts and donation programs. Working together to educate on the dual threats of the climate crisis and extreme loss of biodiversity, Under Canvas is building on our mission to inspire connections with extraordinary places, people, and the planet by enhancing access to the outdoors.

Brand Partners

Under Canvas Bryce Canyon is pleased to partner with the following brands, found throughout each of our sites and in our lobby retail selection:

- West Elm
- Bluestone Lane
- lululemon
- Parks Project
- Pendleton
- EO bath products
- Amass
- Sun Bum
- Gibson guitars

Health & Wellbeing

With social-distancing at the core of its very inception, Under Canvas is the ideal upscale outdoor experience, continuing to follow CDC guidelines and uphold strict guidelines and protocols in 2022. Find current initiatives in detail [here](#).
